Dear Parents/Carers

Catholic maintained schools are Voluntary Aided and most income is derived from public funds. However, in return for the right to promote the Catholic Faith in our schools, 10% of the cost of building works and major repairs must be funded by the school and the Archdiocese provide the remainder of the funding. Each year we ask for a donation from each family to help us towards the funding of any building projects within the school.

The Archdiocese have been most generous to us over the past years, and we have had quite a lot of building projects funded by them. In fact, we have recently been awarded 65k towards the replacement of the uneven pathway across the school.

As each school has to pay a contribution to the Archdiocese, we therefore would like to request from you a voluntary contribution of £15 per family towards this. I know that we are living in a time when many struggle with finances but the school would appreciate it if as many of you as possible are able to contribute.

If you are able to contribute please hand in the money to the School Office with your child's name and class on the envelope. Cheques are also acceptable, made payable to 'Halton Borough Council'.

Your continued support is most appreciated and valued, thank you.
