

New online support for unpaid carers

Working in partnership with Halton, and effective immediately, Mobilise will provide residents in Halton who are caring for someone access to comprehensive online support.

Residents will be able to:

- Discover an online network of people in similar situations
- Access free support from a dedicated carers coach
- Join online support sessions with others also caring
- Use simple online tools to help at each stage of their caring journey

What we do

Community

We find ways for us to connect with each other in a respectful and uplifting environment.

Helpful and engaging articles for carers

We are constantly listening to the community, documenting our collective knowledge and publishing it via email and our website, for all to benefit from.

Personal support

You can book a call with our Support Team, to discuss whatever is on your mind, seven days a week. Our team are available in the evenings and at weekends too.

Mobilise App

Carers can also download the Mobilise App to connect with, and find support from our vibrant community of carers - 24/7.

How to communicate this to residents in Halton

As an entirely online service, we recommend that referrals and promotion of the Mobilise service should come from our website.
