Relationships and Sex Education:

A Journey in Love

A Guide for Parents and Carers

We learn to love everyone as Jesus loves us

The governors at Our Lady of Perpetual Succour Catholic Primary School have adopted the 'A Journey in Love' programme as recommended by Liverpool Archdiocese.

'A Journey in Love' is a Relationships and Sex Education developmental programme for children in primary schools. This programme highlights the many aspects of human relationships and focuses on the physical, social, emotional, intellectual and spiritual development of each individual. It is grounded in the belief that we are all made in the image and likeness of God and supports the Catholic teachings of our school.

At Our Lady's:

We learn...

We learn to love...

We learn to love everyone ...

We learn to love everyone to love everyone as Jesus loves us

Our Mission Statement commits us to the education of the whole child (spiritual, physical, intellectual, moral, social, cultural, emotional) and we believe that RSE is an integral part of this education. Furthermore, our school aims state that we will endeavour to raise pupils' self-esteem, help them to grow in knowledge and understanding, recognise the value of all persons and develop caring and sensitive attitudes. It is in this context that we commit ourselves:

In partnership with parents, to provide children and young people with a "positive and prudent sexual education" which is compatible with their physical, cognitive, psychological, and spiritual maturity, and rooted in a Catholic vision of education and the human person.

Aims of Relationship and Sex Education (RSE) at Our Lady's school

- To encourage pupils' growth in self-respect, acknowledging we are all created in the image and likeness of God.
- To help pupils develop an understanding that love is the central basis of relationships.
- To help pupils to understand the nature of relationships and to encourage them to reflect on their own relationships and respect differences between people.
- To develop pupils' confidence in talking, listening and thinking about feelings and relationships.
- To help pupils acquire the skills necessary to develop and sustain relationships
- To offer sex education in the wider context of relationships.
- To ensure that pupils protect themselves and ask for help and support when needed.
- To ensure that pupils are prepared for puberty.

- To help pupils to develop a healthier, safer lifestyle.

To prepare pupils to play an active role as citizens and to understand the Catholic vision of what it means to be citizens of the Kingdom/reign of God.

How will we organise lessons for Journey in Love?

The programme will be taught in a variety of ways and Lessons may include; discussions, presentations, questions, written work, homework. It will be taught discreetly as well as cross curricular links with other subjects such as RE through the Come and see programme, science and PSHE.

How can I help?

- By talking with your child at home
- By discussing their work after each lesson
- By listening to any concerns
- By reassuring your child that you are there if they need to talk about anything
- By helping with any homework activities

What if I don't feel that my child is ready for this programme of work?

Parents' right to withdraw

Parents have the right to withdraw their children from the non-statutory component of sex education in Year 6. This is where sexual intercourse is taught discretely as part of the Physical aspect within 'Journey in Love' the Archdiocesan recommended resource.

Requests for withdrawal should be made in writing and addressed to the headteacher. The headteacher will discuss the request with parents and take appropriate action.

Alternative work will be given to pupils who are withdrawn from RSE.

Parents do not have the right to withdraw their children from Statutory Relationships Education as set out in the DFE guidance 2020.

We ask that if parents feel that their child may not be quite ready for the content within the programme, they should make an appointment with the Headteacher to discuss their thoughts on the matter further.
